"It's Over, Isn't it?", as performed by XXXX

"It's over isn't it? Isn't it? Isn't it over?

It's over isn't it? Isn't it? Isn't it over?

You won and she chose you and she loved you and she's gone. It's over, why can't i move on?"

Her name with no L forms a something plum and delicious and you shall know that each of its letters can be associated with others from the English alphabet forming "IFXE".

The name can be also rearranged into a terrible act, given you lose the L. Form the rearrangement taking notice of the association, that will lead you closer your goal!

Hunter, look past what can be seen with just your eyes.
